

KARRATHA BMX CLUB KARRATHA BMX CLUB (INC)

Volume 1, Issue 2
August 2005

COMMITTEE POSITION AVAILABLE

TREASURER

The Club is still looking for someone who would like to volunteer to be the Club's Treasurer.

The role of the Treasurer is an easy one that is not very time consuming. The role includes the following:

- Collect and receive all monies on behalf of the club, provide receipts, deposit monies into club bank account, keep and record all transactions.
- Maintain proper system of accounting, obtain approval for payment of accounts.

- Present monthly financial statements to the committee
- Provide financial statements and reports to the auditor annually
- Provide a copy of the auditors report at the AGM.

The role is not a high time demanding position and a massive amount of help and support is available.

If you have an interest in filling this role please speak to either Ken Willcocks (President) or Donna Collins (secretary) for more information on the position and the support available. No experience is necessary. We look forward to talking to you.

FOR SALE

Just a small reminder that the club has initiated a secondhand BMX gear 'shop'. Any members wishing to sell their BMX gear should get in touch with Donna Collins who will then post information and pictures on the webpage. All gear from bikes, clothing and accessories can be sold via this arrangement.

Currently there are some items on the webpage to browse including a near new Kidney Belt to suit a sprocket.

HAVE YOU FILLED OUT THE 2005 KARRATHA BMX CLUB MEMBERSHIP FORM YET?

If you have not done this then please see Monique (registrar) to obtain a blank form.

The information on the membership form is very important to ensure that the club has all your correct details.

**TRAINING IS ON
MONDAY 4—6pm AND
WEDNESDAY 5—6pm .
Parents/carers must remain at the track with their children for safety purposes if the rider is 14 years old or younger.**

Monique Russell

TREASURER (Interim)

Tania Toussaint

TRACK MANAGER

Noel Russell

CHIEF STEWARD

Don Thomas

SCORER

Pam Harris

CANTEEN MANAGER

Tania Toussaint

FLOOR MEMBERS

Guy Shepard

Troy Atkinson

The committee meets monthly to discuss issues related to the smooth running of the club.

During the half time break each week all riders names go in a barrel to win a voucher for a delicious fresh pizza from Eagle Boys Karratha. All the riders need to do to win is to be registered on time and participate during racing.

The winning rider will then be given the voucher that can be presented to Eagle Boys Karratha to redeem their pizza.

FRESHA IDEAS

Eagle boys Karratha shines through with fantastic support.

Keeping the Track Safe

Parents are reminded that in order to keep the track safe for all our riders that children are not to play on the track or the berms at any time. Playing on the track causes the eventual erosion of the berms and causes grooves on the track itself. On top of the effect it has on the track it is also dangerous for the children playing.

LETS ALL HELP KEEP THE TRACK SAFE.

Senior First Aid

If you hold a current Senior First Aid Certificate then please place your name on the list on the registration table.

Riders are not permitted to ride on the track either at training or racing unless there is a trained Senior First Aid Officer in attendance.

Don't forget to add your details on the family form on race night.

If you have a Senior First Aid Certificate and are able to help out on practice or racing nights please place your name on the list at the Registrar's table.

The burgers are back!!

What would Friday night Racing be without the fabulous food available from the canteen?

The canteen has a great range of delicious food available for sale every race night. These include hamburgers, pies, and sausage rolls will be available along with cold drinks, yummy ice creams and lollies. The canteen also has hot, fresh tea and coffee available.

If possible, please place your order for burgers prior to half time, to ensure you won't miss out!

Anyone who would like to help in the canteen on race nights will be most welcome even if just for half an hour. It is easy and fun!

If anyone has any suggestions or ideas please let me know.

TANIA TOUSSAINT
CANTEEN MANAGER

Volunteers

The club is still looking for people willing to volunteer to help out on Monday or Wednesday afternoons during training sessions.

All you need to do is hold a current Senior First Aid Certificate and be present at the track between 4.30 and 6pm.

This is a requirement to insure that not only are our rides in safe hands but in order to be covered by our insurance policy.

If you would like to help out then please give your name to either Ken Willcocks (President), Donna Collins (secretary), Monique Russell (registrar) or any of the other committee members.

Your support is highly valued and essential for the smooth running of this fantastic club.

If you would like to volunteer to help out on race nights please see one of the committee members. There are many easy jobs, such as scorer or holding the track flags that need to be filled each night.

Thank you

The Club would like to acknowledge the kind generosity of the gentleman from the caravan park who kindly donated \$100 to the riders. The committee has decided that at the next race meet (12th August) that riders will get to choose two of the following three items: a can of soft drink, an ice cup and a killer python.

Round 1 Fun Night

July 22nd marked the end of Round one and this was celebrated by all with a Fun Night. I think that all of you who attended would agree that the night was a success. Congratulations to those people who won a prize. The Club would like to thank the following sponsors for their kind donations.

KARRATHA AQUATIC CENTRE
CHICKEN TREAT KARRATHA
MCDONALD'S KARRATHA
KARRATHA CINEMA'S
EAGLE BOYS PIZZA

We are all looking forward to the next fun night...

CHOCOLATE FUNDRAISER

As part of the 2005 fundraising program the canteen will be selling Cadbury chocolates on Friday nights.

If you would like to help with fundraising and are able to take home a box of chocolates to sell please see Tania in the canteen.

Due to the importance of fundraising for the club, we ask that members refrain from personal fundraising at the track. Thank you.

Your help and support is greatly appreciated.

JULY BUSY BEE

A big thank you to all the fantastic families who volunteered their time at the Busy Bee. The day was a huge success with numerous achievements. Thank you to Nathan Ball for the construction and installation of a new starters hut that will prevent vandals from destroying the wiring at the starting gate. The canteen had a string clean as did the toilet blocks. The track was re-surfaced in many areas with rubbish and rocks being removed. The lighting on the track was also fixed.

Special thanks to Noel Russell for the wonderful job he is doing as Track Manager.

The Club would like to thank the following organisations for their kind donations and support to the club:

TRADELINK
PILBARA IRON
COATES HIRE
LYONS AND PEIRCE

It is only with the sensational support and assistance from both the club members and the wider community
