

## KARRATHA BMX CLUB KARRATHA BMX CLUB (INC)

Volume 1, Issue 2

May 2006

# THE KARRATHA BMX CLUB NEEDS YOU...

The Club is desperately looking for someone to volunteer to become the new club secretary. In order to operate this is a committee position that needs to be filled.

The position involves collection of the mail from the mailbox, distributing mail to appropriate people eg: registrar treasurer, canteen manager etc. Attending the monthly meetings, taking and distributing the minutes. Correspondence into and out of the Club.

You are not alone....Donna will assist you in starting up as secretary. Most of the current systems are already done on the computer eg: templates for letters, member information sheets etc

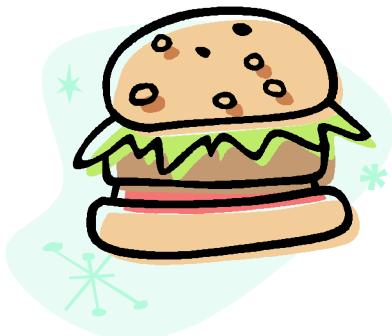

Please see Donna or Seb for more information or to put in an expression of interest.

### CANTEEN MANAGER

The club would like to express a warm welcome to **KRISSEY GLOVER** our new canteen manager.

This now means that we will be having hot food back in the canteen. Don't forget to come down and check out the yummy treats on offer each Friday night.

If you would like to volunteer to help in the canteen to either prepare or sell goods then please see Krissy.

### WEEKLY REGISTRATION FEES

Registration fees for racing will be going up from \$4 to \$5 each week per rider with a maximum weekly cost of \$12 per family.

This rise is a result of the rising costs associated with the general running of the club.

Please see Bronwyn, the Registrar for more information.

## FUNDRAISING

Hi my name is Kym Bailey and I am the fundraising officer. A big hello and welcome back, I hope everyone had a good Easter and an exciting school holidays. So everyone should be fresh and ready to race.

I hope, over this school term, to do a fundraising drive for chocolates, so I would hope that every family will sell a box or two. When I have got them all I will be handing them out from the canteen, so keep an eye out for the yummy chocolates. Another idea I am going to try is a \$50 board which we will do every Friday night maybe every second depending how it goes tickets will sell for \$1, so a profit of \$50 will go to the club it will get drawn at half time, so please get behind it, every little bit counts. The committee is going to try to organize club shirts, hats and stubbie holders this year as well. Any idea's people have please feel free to come and see me. That all from me at the moment

Thanks Kym

## CANTEEN NEWS

*The Canteen will be up and running this week, between myself and Kym Bailey we have managed to organise some yummy food.*

*We want to try a few new things this year. One of those is ordering before the first race. This will enable us to have your food ready to be picked up just before or at half time. We will give it a go for a few weeks and see how it is working.*

*The other thing is we will be running a roster system so we can get everyone involved at some stage or another. This may just mean you help in the canteen a couple of times throughout the year. So until we have worked out the finer points of the roster we would appreciate anyone who is willing to help comedown and see us so we can organise dates with you.*

*We will be trying to have a few new foods this year so come down and check out what's on SPECIAL each week.*

*It's the first time I've done anything like this before so if anyone has any suggestions they would be much appreciated. Looking forward to seeing you at the canteen.*

*Kind Regards.*

*Krissy Glover.*
